Opportunity

Senior Market Analyst

The Central Bank of Trinidad and Tobago is seeking to recruit a suitably qualified individual to fill the position of **Senior Market Analyst** in the Domestic Market Operations Department. The Department is responsible for providing advice and implementing policy relative to the domestic, money and capital and foreign exchange markets.

JOB SUMMARY

To assess the operational efficiencies of the domestic, money and capital and foreign exchange markets in order to recommend policy strategy for the implementation of monetary and exchange rate policies and to undertake initiatives for stimulating the development of these markets.

PRINCIPAL ACCOUNTABILITIES

- Recommends and implements improvements in the operational efficiencies of the money, government securities and foreign exchange markets.
- Monitors developments and liaises with market participants in the domestic, money and capital and foreign exchange markets; coordinates meetings as required.
- Provides guidance and coordinates the work of the Analysts in the domestic, money and capital and foreign exchange markets.
- Conducts appropriate intervention strategies in the domestic, foreign exchange and money markets.
- Oversees functioning of the primary dealer system and bureau de change operations.

EDUCATION AND EXPERIENCE

- A University degree in Economics, Banking, Finance or a related discipline (at least lower second class honours).
- Professional certification in a related field will be an asset.
- A minimum of ten (10) years working experience in the financial sector with three (3) years at a senior level.
- Previous working experience in a research environment would be an asset.

KEY COMPETENCIES

- **Leadership** - a track record of success in motivating staff and fostering the learning and development of others through encouraging, managing and coaching/mentoring.
- **Communication Skills** - excellent presentation/oral skills and proven ability to prepare reports and to convey technical information in a succinct manner.
- **Interpersonal Effectiveness** - proven ability to develop and maintain effective working relationships and manage diversity in a team environment.
- **Technological Awareness** - strong working knowledge of Microsoft Office Excel, Powerpoint, Word and Database Management.
- **Result Orientation** - ability to manage and organise work in a manner that minimises potential problems in order to exceed targets.

The Bank offers an attractive remuneration package commensurate with qualifications and experience and includes a Group Health Plan and other benefits.

Applications should be made in writing to:
