Central Bank reviews Colman Report

PORT OF SPAIN, TRINIDAD AND TOBAGO. January 17, 2026 – The Central Bank noted the Attorney General’s comments at the sitting of Parliament on January 16, 2026, as the Government laid the Clico Commission of Enquiry Report (the Colman Report) in Parliament.

The Report is voluminous (676 pages), and the Bank is carefully reviewing and considering its full contents.

The Central Bank is admittedly concerned that the process is such a protracted one. The Bank is giving its independent consideration to the wider implications for the ongoing litigation matter against former officers of the CL Financial group.

The Central Bank will provide more information as and when appropriate to do so.
