

Aspects of Trinidad and Tobago's Global Economic Interactions

CENTRAL BANK OF
TRINIDAD & TOBAGO

Dr. Alvin Hilaire, Governor, Central Bank of Trinidad and Tobago

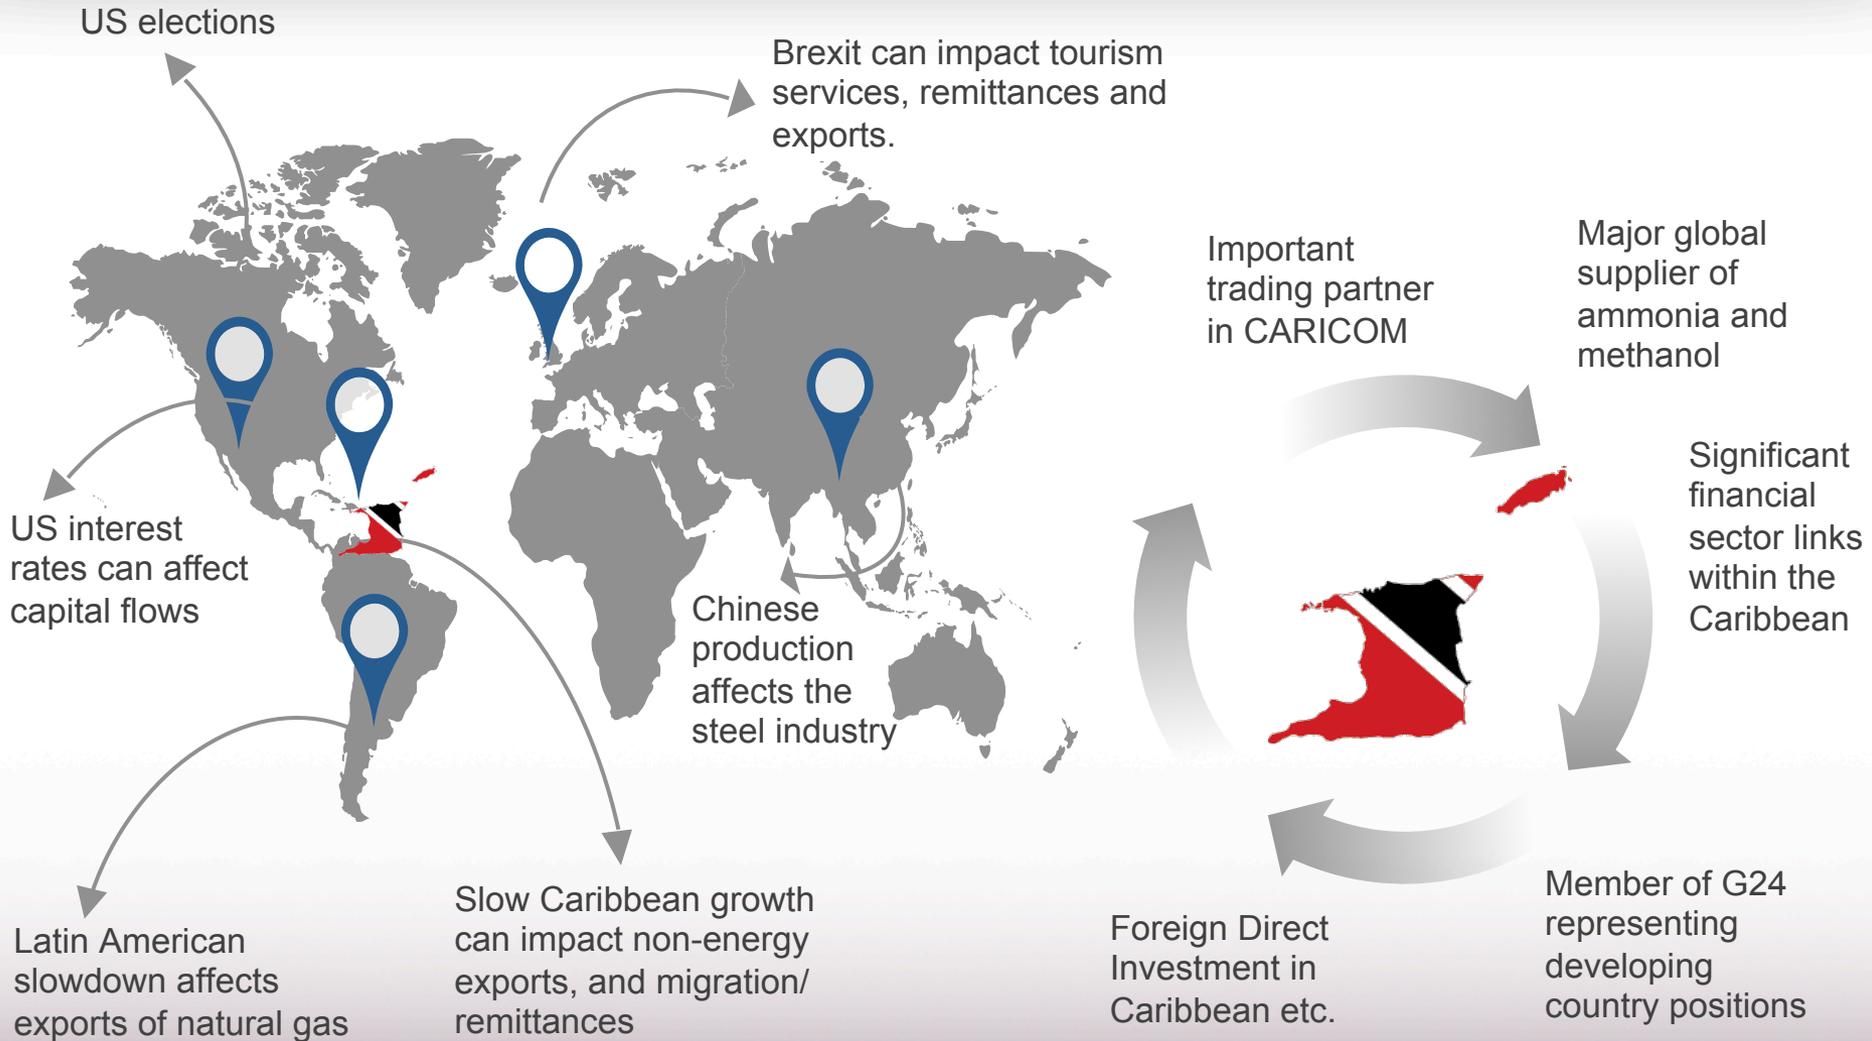

Launch of the Monetary Policy Report, November 11, 2016

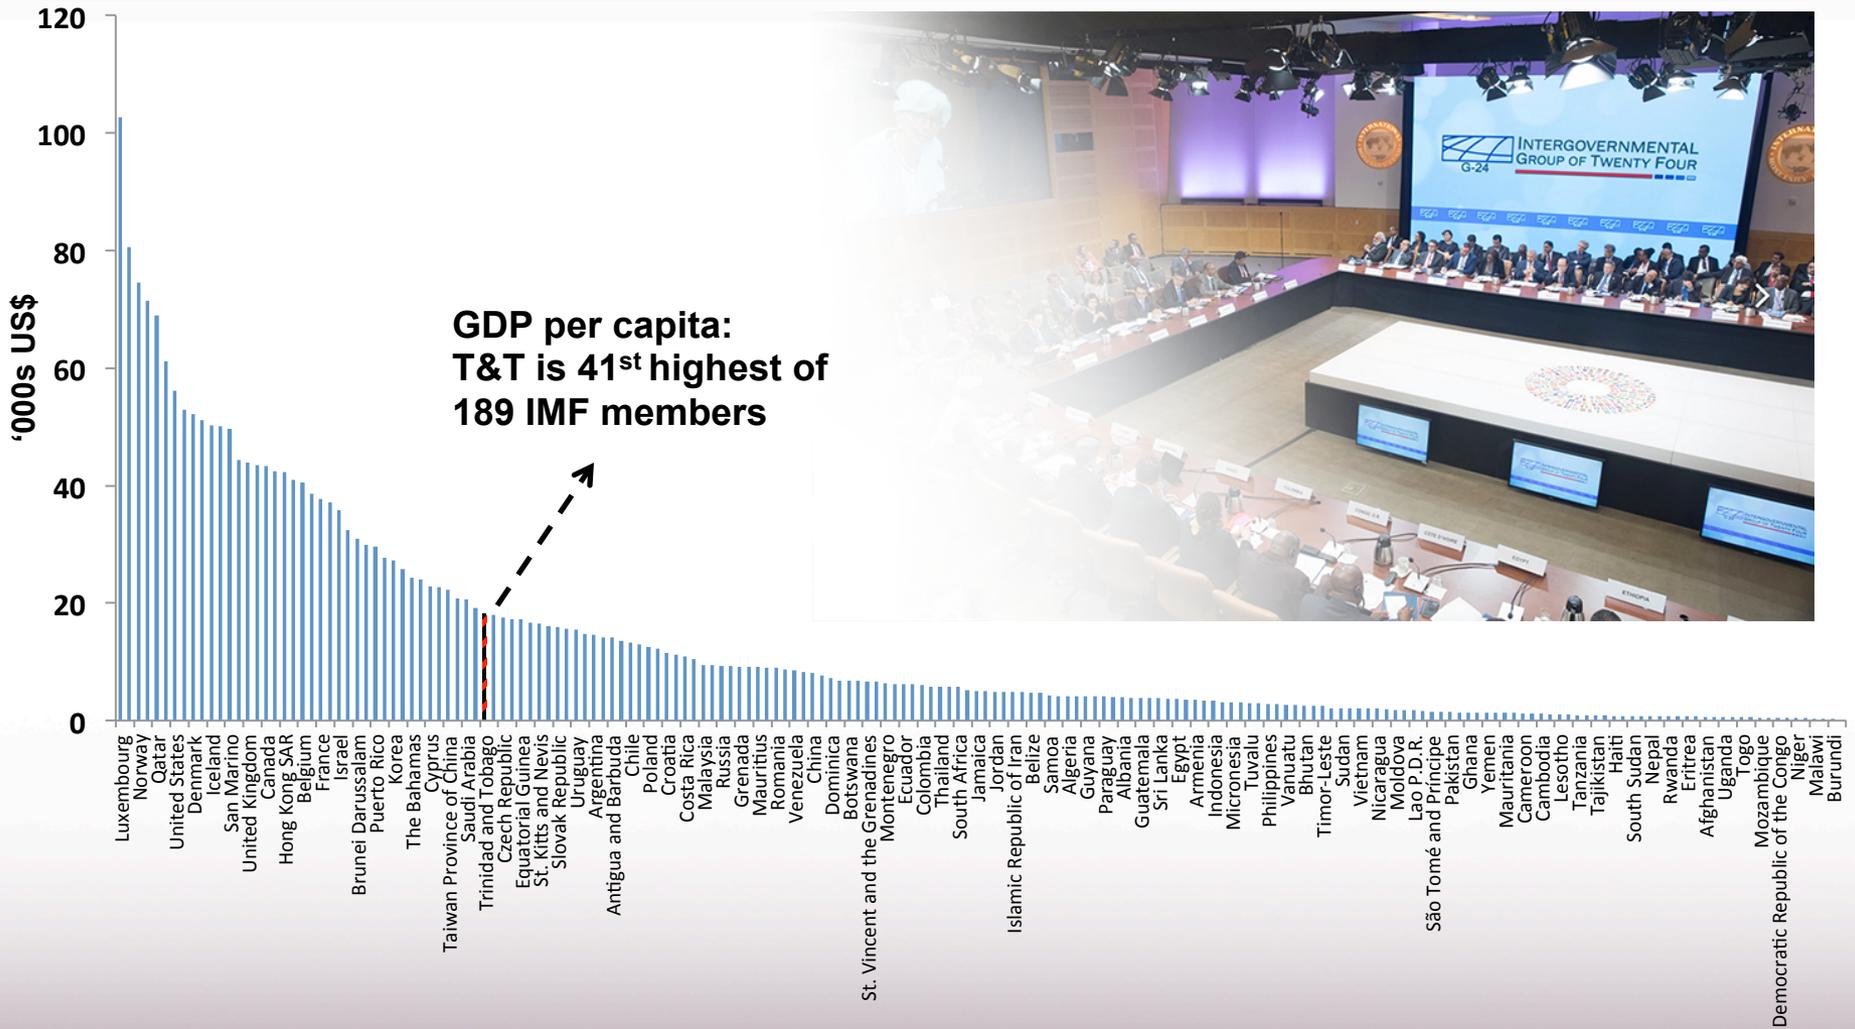

Aspects

1. Dependence on commodity cycles
2. Financial interconnections
3. Interest parity and capital movements
4. Outlook for emerging markets
5. Labor mobility and remittances

Trinidad and Tobago is deeply embedded in world economic affairs...

Trinidad and Tobago has influence in world economic affairs...

Long term energy issues

- Shale
- OPEC actions
- Japanese nuclear power
- Demand

(2) Our financial system is closely linked to world markets...

Commercial Banks Interconnectedness

Source: Trinidad and Tobago Financial Stability Report 2015.

Trinidad and Tobago must achieve global compliance to avoid being 'de-risked' ...

- De-risking involves loss of correspondent banking relationships
- It could affect all external financial transactions and drive activity into unofficial channels
- The solutions include improved compliance and clarity of expectations by developed country regulators
- Trinidad & Tobago has so far not been hard hit but the tax/AML/CFT frameworks need to be finalized
 - FATCA; FATF/CFATF; CARIFORUM – EU Economic Partnership Agreement; CARICOM Financial Services Agreement

(3) In the determination of capital flows, interest parity considerations are crucial...

Interest Rate Parity Condition

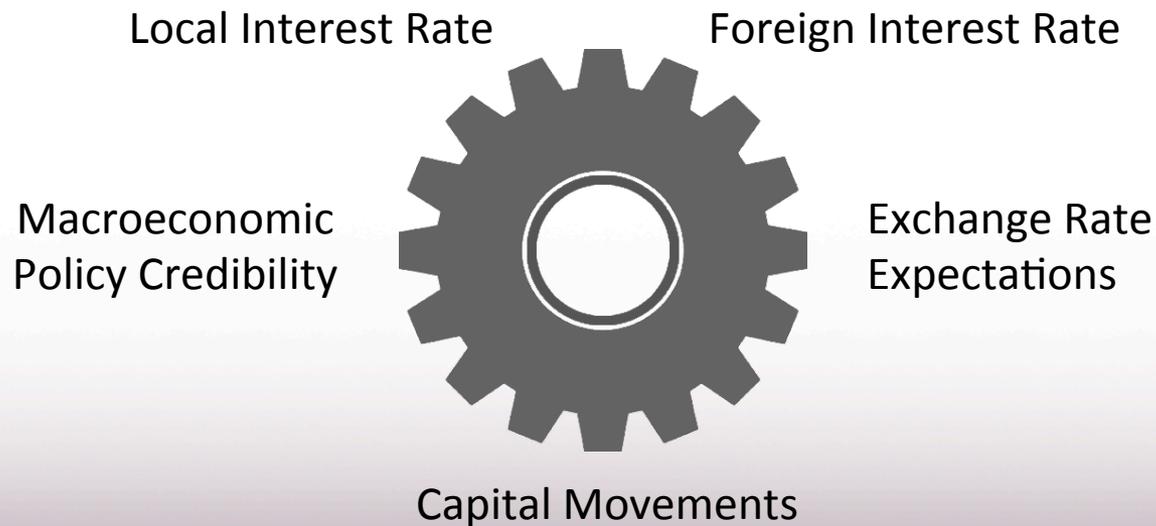

$$\frac{F_{t+1}}{S_t} = \frac{1 + R_{FC}}{1 + R_{DC}}$$

F_{t+1} – Forward Exchange Rate

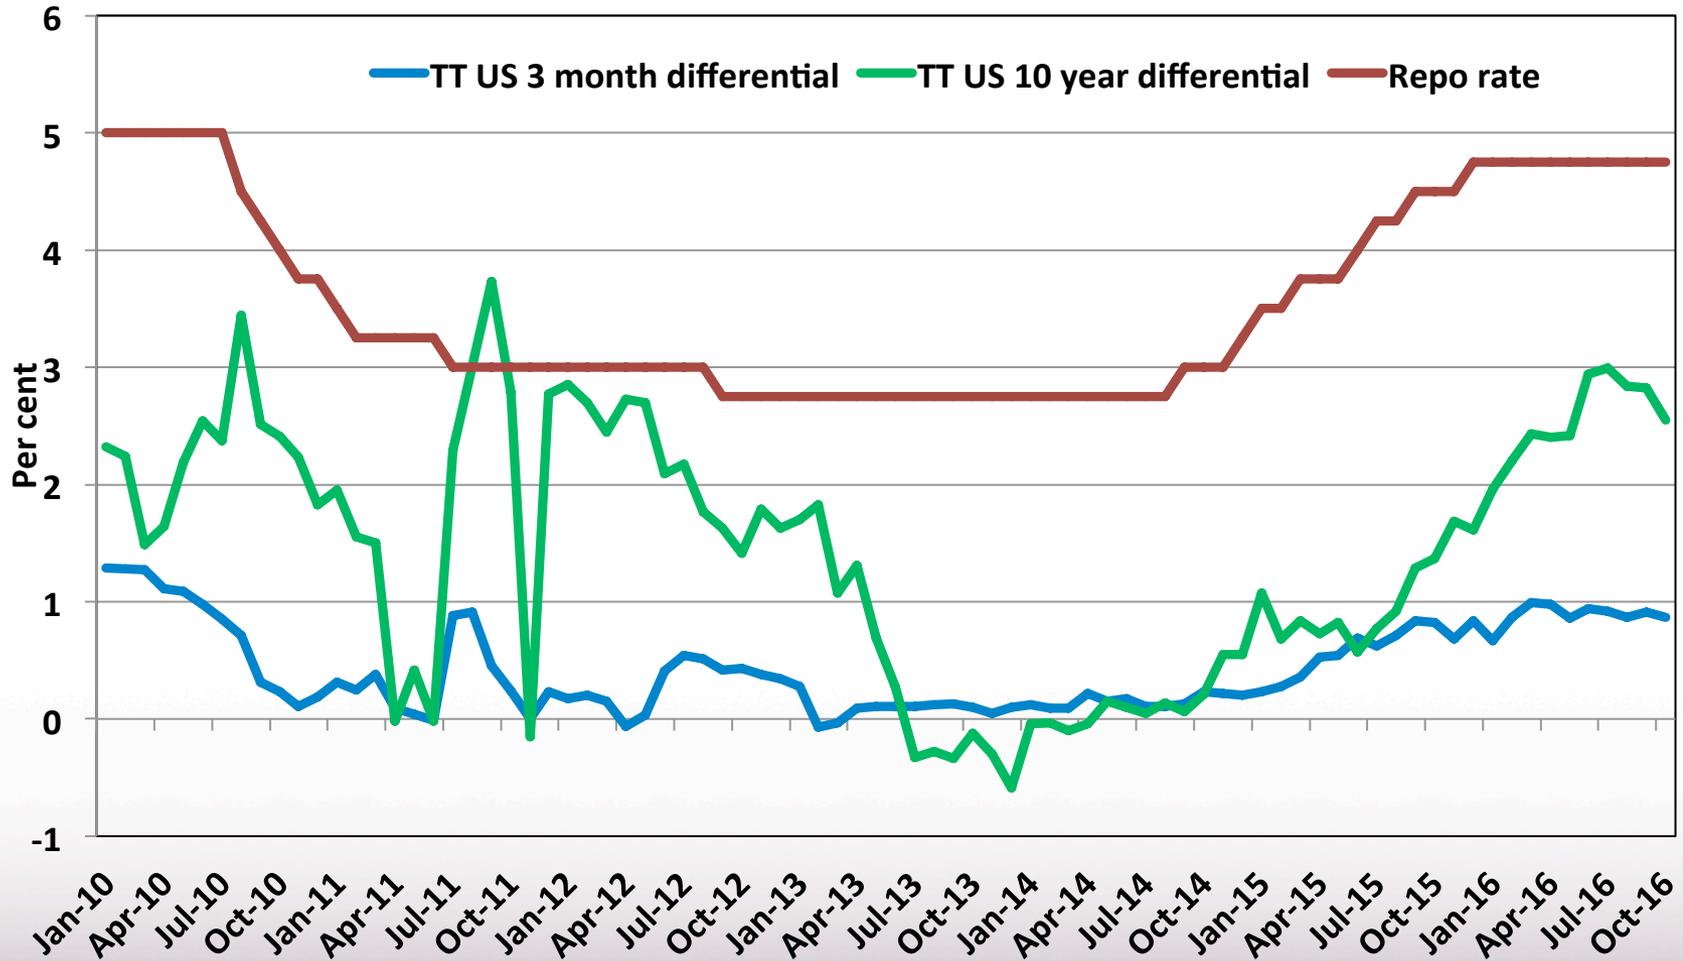

S_t – Spot Exchange Rate

R_{FC} – Foreign Interest Rate

R_{DC} – Domestic Interest Rate

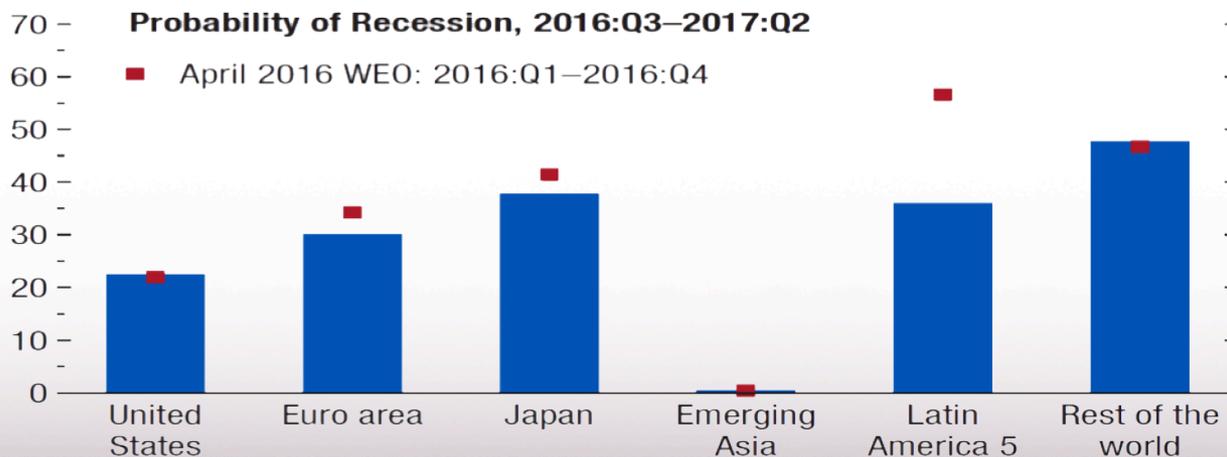

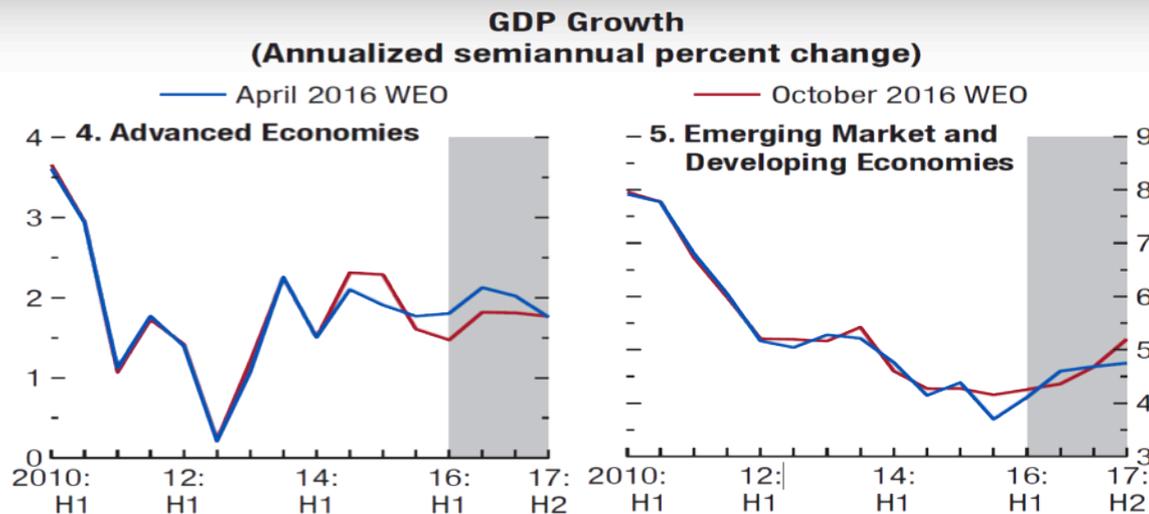

Monetary Policy must be sensitive to external interest rates and risk factors...

Sources: Central Bank of Trinidad and Tobago and Bloomberg.

(4) The current outlook, particularly for emerging market economies, is complicated

Source: International Monetary Fund, World Economic Outlook Database, October 2016.

...but it's a two-way street and domestic fortunes impact our neighbours...

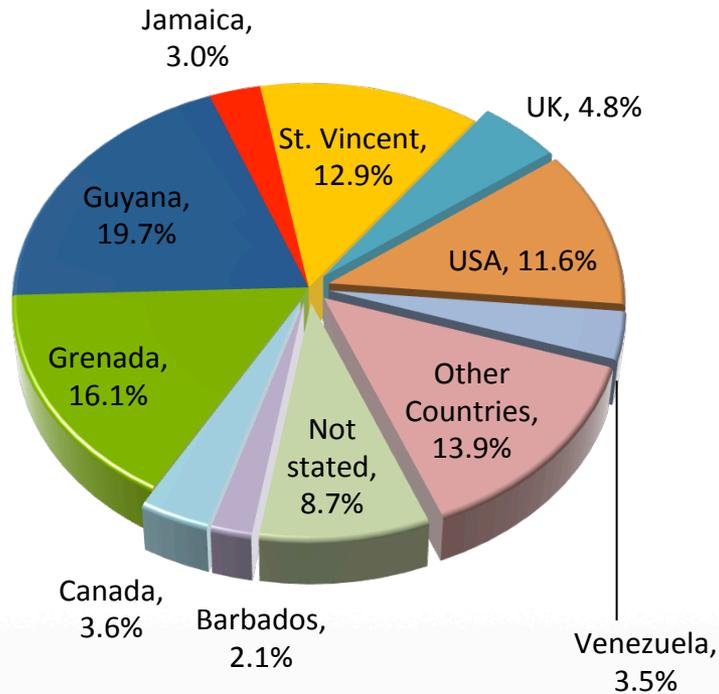

Selected Economic Indicators - 2015

		Real GDP Growth (%)	Inflation (%)	Fiscal Balance/GDP (%)	Debt/GDP (%)	Current Account Balance/GDP (%)
	Antigua and Barbuda	2.2	1.0	-8.6	104.4	-10.2
