# Cybersecurity in Financial Institutions: Best Practices

Tuesday, June 6, 2023 / 10:00 a.m. – 11:30 a.m.

In today's world, financial institutions rely heavily on electronic communications. This dependence can pose serious risks to the companies, their clients and society if not properly managed. Join the Central Bank of Trinidad and Tobago as we discuss this issue, with a view to developing a Guideline on best cybersecurity practices for local financial institutions.
