CDB announces keynote speaker for 20th William G. Demas Memorial Lecture

June 4, 2019

Port of Spain, Trinidad

The opportunities and challenges of digitisation will be in focus at the 20th William G. Demas Memorial Lecture on June 4 in Trinidad and Tobago. Keynote speaker, Mr. Calum Cameron of Proud Engineers in Estonia will speak on the topic, "Transforming to a Digital Society: Principles and Challenges." Click on the link below for the full CDB news article.

The Caribbean Development Bank's Annual Meeting of the Board of Governors is held annually in one of the Bank's 29 member countries. This official gathering is CDB's flagship forum for discussion among the institution's Governors and sector leaders. The buzzword of this year's Annual Meeting agenda is "transformation". The Meeting programme includes a memorial lecture, seminars and a youth
