¹ *Payment deferrals and "skipped payments" are used interchangeably.*

² *New Moratorium on the Regulatory Treatment of Payment Deferral or Restructured Loans Due to Covid-19 Measures.*

³ *Clarification on Electronic Submissions of Correspondence to the Financial Institutions Supervision Department Due to COVID-19 Measures.*

When completing DPC-19, kindly be advised of the following:

- Payment deferrals or rate reductions shall apply only to those performing loans and loans past due up to 89 days as at **May 1, 2021**.
- Non-performing loans, that is, loans in the 90 days and over category and classified as sub-standard, doubtful or loss as of **May 1, 2021**, will not qualify for this treatment.
- The deferral of loan payments is to be extended on an “**opt in**” basis only.
- All deferrals offered to customers during this period must expire on **September 30, 2021** regardless of the actual date of commencement of the deferral.
- Credit facilities which have been afforded skipped payments or rate reductions, should **NOT** be reported as “Restructured or Rescheduled” on the CB20 report or as “Past Due” subject to certain conditions (see Circular Letter for details ([CB-OIFI-976/2021](#))).
- The technical concepts used within this report are the same as the [CB20](#) and [CB30](#) instructions.

Special Report Worksheets:

DPC-19 consists of the following worksheets:

Institution and Signature

Licensee name, authorized signature and reporting period.

Loans with Deferred Payments by Type (DPC-19 Page 1)

Loans that accessed the deferred payment facility by loan type.

Loans with Rate Reductions by Type (DPC-19 Page 2)

Loans that accessed the rate reduction facility by loan type.

Loans with Deferred Payments to Businesses by Activity Sectors (DPC-19 Page 3)

Loans that accessed the deferred payment facility for the private and public sectors by business sector activity. **Classification of the activity sector is based on the sector in which the borrower operates and not the purpose of the loan. For example, if a loan is deferred for a water utility company, the sector will be Electricity and Water.**

Loans with Rate Reductions to Businesses by Activity Sectors (DPC-19 Page 4)

Loans that accessed the rate reduction facility for both the private and public sectors by business sector activity. **Classification of the activity sector is based on the sector in which the borrower operates and not the purpose of the loan. For example, if a loan is deferred for a water utility company, the sector will be Electricity and Water.**

Loans with Deferred Payments to Consumer by Purpose (DPC-19 Page 5)

Loans that accessed the deferred payment facility by consumer purpose.

Loans with Rate Reductions to Consumer by Purpose (DPC-19 Page 6)
